■ WELCOME

As a well-known expert in audit, accounting and consulting matters, Métoudi & Associés has based its development on a clear ambition: to provide its clients with high-quality accounting, finance, tax, and payroll services.

Métoudi & Associés is specialised in the audit, consulting and accounting field, placing its incontestable know-how, and strict working methods at the service of its clients.

Our complete independence and freedom of analysis, combined with our original approach, permits us to fulfil your needs in a precise and concrete way.

Whatever your needs, the size of your company, your type of activity, your national or international environment, Métoudi & Associés pools the skills of a dedicated, well-trained and specialised team to provide you with services that meet your expectations.

Marc Métoudi, Partner.
